Sir:

In response to the Office Communication mailed April 7, 2003, applicants submit herewith a substitute Sequence Listing in computer and paper form, in accordance with 37 C.F.R. §1.821-1.825. The content of the paper and computer readable copies of the Sequence Listing, submitted in accordance with 37 C.F.R. §1.821(c) and (e), are the same and do not include new matter. Also enclosed is a copy of the Notice to Comply with Requirements for Patent Application Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures appended to the Office Communication dated April 7, 2003.

The Office Communication mailed April 7, 2003 indicates that the response filed December 18, 2002 was not fully responsive to the Office Communication dated October 22, 2002 due to an unreadable diskette that was melted. It establishes the period for response as set forth in the Office Communication dated October 22, 2002. The Office Communication mailed April 7, 2003 also indicates that the above-referenced application will go abandoned unless the applicant corrects the deficiency and obtains an extension of time under 37 C.F.R. § 1.136.

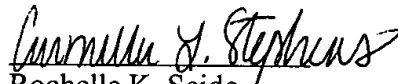

The response filed December 18, 2002 was fully responsive. The diskette submitted on December 18, 2002 was likely melted upon arrival to the Patent Office and due to Patent Office practice of irradiating all incoming mail to the Washington DC 20231 address.

In addition, the Patent Office did not notify the undersigned attorney until one month before the end of the six month statutory period. Thus, the present submission requires a petition for an extension of time of five months and fee as set forth in 37 C.F.R. § 1.17(a)(5), in an amount of \$985.00. Applicants believe that there is an error in designating the time period for a response to run from the date of the Office Communication mailed October 22, 2002.

However, in an abundance of caution, the applicants submit herewith a petition for an extension of time of five months. The response filed December 18, 2002 was accompanied by a petition for a one month extension of time and the fee of \$55 as set forth in 37 C.F.R. § 1.17(a)(1). Thus, the amount due is \$930.00, the difference between the fee required for a five month extension of time (\$985.00) and a one month extension of time (\$55.00). The Commissioner is authorized to charge this fee to Deposit Account No. 02-4377.

Should any additional fee be required or overpayment made in connection with this submission, they may be charged to Deposit Account No. 02-4377. Two copies of this sheet are enclosed.

Respectfully submitted,
